

The logo for 'inspire' is located in the top left corner. It consists of the word 'inspire' in a white, lowercase, sans-serif font, centered within an orange rounded rectangle.

"At Inspire we have searched for a while for a web design and build team that can be responsive, cost effective and work to tight timelines and budgets. We are delighted that we found Andrew and the team at Accent-D. They have a talented team of designers who have solved problems in hours that other so called "experts" couldn't fix. They have a transparent fee schedule and an honest approach to pricing and delivering work that makes them head and shoulders above anyone I have ever worked with in this field. If you have a web design and build need, then I recommend you speak to Andrew and the team, if you know what you want, he has the people who can make it happen quickly and cost effectively."
